PBS breathes new life into Louisa May Alcott's 'Little Women'

By K.A. Taylor
TV Media

A brief channel surf quickly reveals that women on television are still all too often depicted as jealous, fighting frenemies. Often generic and one-dimensional, these portrayals detrimentally serve to convince the world — and more importantly, young women — that to be feminine is to lack rationality and depth.

Fortunately for anyone looking for a more uplifting depiction of young womanhood, PBS has teamed up with the BBC to bring to life a new miniseries adaptation of Louisa May Alcott's classic novel "Little Women." How fascinating it is to consider that a series based on a 150-year-old novel could deliver a more honest and complex representation of women's relationships than we see in so much modern-day fare. The latest "Masterpiece Classic" offering, "Little Women" premieres Sunday, May 13, on PBS.

"Little Women" stays loyal to Alcott's work, while interjecting ample doses of humor and empower-

ment. Set amidst the American Civil War, the story provides a glimpse into the lives of the four March sisters as they grow from girls to young women under the watchful, loving care of their mother. The family, once well-to-do, now lives in poverty. Relocated to a new portion of a Massachusetts community, these little women find themselves not just penniless but also fatherless, as the patriarch has been called off to war. Left to fend for themselves, the March women are eager to prove that they're more than capable of doing so.

Each sister is undeniably a March, yet entirely unique. Meg March (Willa Fitzgerald, "Scream: The TV Series") is the eldest of the four and quite naturally adapts to a matriarchal type of role, quite satisfied with the prospect of a domestic life. Second eldest, Jo (Maya Hawke, "Ladyworld," 2018), is full of bold ambition, often labeled a tomboy due to her interests and hopes to be a published writer one day. Beth (Annes Elwy, "Philip K. Dick's Electric Dreams"), the third daughter, is quite shy and has a

penchant for music. The youngest March, Amy (Kathryn Newton, "Lady Bird," 2017), is the most artistic, though easily swayed into a state of vanity.

Initially, these four girls may seem fairly set in their ways, somewhat stereotypical and quite contrary to one another. As the girls develop, however, it becomes clear that there are multiple dimensions to all of their personalities, and assumed predictability is quickly discarded.

The casting of "Little Women's" leading ladies in this latest adaptation blends fresh, new faces with a healthy dose of well-established talent. If newcomer Hawke seems familiar, it may be in large part due to the success of her parents. The actress is the daughter of Uma Thurman ("Kill Bill: Vol. 1," 2003) and Ethan Hawke ("Training Day," 2001), two beloved actors whose passion for the craft seems to be hereditary.

Hawke has a lot of hopes for this interpretation of Jo, which she expressed during a news release interview for "Masterpiece." She longs for audiences to notice Jo's imperfections and notes that she did her best to express "the parts of [Jo] that she would feel insecure about" and to "illuminate her less perfect qualities," trying to stray from the perfectionist persona for which the character is typically known.

The two elder March ladies of the miniseries are portrayed by theatrical and cinematic favorites. Matriarch Marmee is played by the acclaimed Emily Watson ("The Book Thief," 2013), who began her career heavily invested in feature film roles, but who has been racking up more and more TV series

Maya Hawke as seen in "Little Women"

parts since 2011. Surpassing all of these talented ladies, however, is the legendary Angela Lansbury ("Murder She Wrote"), who steps into the fiercely critical shoes of Aunt March.

Since 1868, when "Little Women" was published, the story has endured countless adaptations in various formats. Be it film, television, musicals, operas, stage plays, web videos or audio dramas, it's clear that the authenticity felt in this novel translates well to all mediums. The story was first adapted for the silver screen in silent format in 1917, with the most recent big-screen adaptation currently in production. When it comes to television, BBC has developed four miniseries of "Little Women," the first airing in the 1950s as a live production. Anyone with siblings, but especially those of us who are sisters and have sisters, find deep familiarity with the relationships and con-

flicts depicted, so it's no surprise that Alcott's work continues to remain relevant and reproduced.

Driven by authenticity and truth to the period within which the tale is set, "Little Women" promises to be a well-loved representation of the classic novel. The cast, crew and director have painstakingly worked to recreate Alcott's world, placing emphasis on natural beauty and individuality over spectacle. In a promotional interview for the miniseries, director Vanessa Caswill

expressed how important it was to "[tell] a truthful story" — one that would "empower the women in it by not making them dollies, by making them just pure and beautiful."

With women continuing to push for their unique voices and stories to be heard, perhaps there is no better time than now for a retelling of Alcott's beloved novel. Embrace feminine strength and growth when "Little Women" premieres Sunday, May 13, on PBS.

Q&A
Hollywood

By Adam Thomlison
TV Media

Q: Are there any laws or rules around using the words "based on a true story"? Is there a certain amount of truth that has to be incorporated in order to use that teaser?

A: The only rule regarding saying something's "based on a true story" is the old rule about not getting caught.

If there are people alive who can say with certainty that a film or show's account is not true in some legally actionable way — if it defames or harms a person's reputation, for example, then there can be a problem. But not an insurmountable problem.

"If it's 'based on a true story,' you are often representing real people and therefore clearances may be required," said Christos Michaels, a partner at the media law firm Lee & Thompson LLP, adding, "There are different laws in different countries about this."

That, backed up by a particular type of insurance covering "errors and omissions," means you can inject quite a bit of fiction into your truth.

Much of this, of course, stems from the vague phrase "based on," and it gets more vague from there. Consider "inspired by" — using it means your story doesn't need any direct connection to the truth.

"If a film is 'inspired by a true story,' then it tends to be the case that it's just a concept for the idea

rather than a factual account," Michaels said. "In terms of characters, such a film would generally not try and portray anyone from the real story."

The most famous case of this, perhaps, is the 1973 horror classic "The Exorcist," which proclaims to be "inspired by" true events. In this case, that means the author (it was a book first) saw a newspaper article about an exorcism, and it "inspired" him to write a movie about an exorcism.

Q: I loved the movie "Blood In, Blood Out" — it was my favorite of the '90s teen gang movies. But was that Benjamin Bratt in the starring role? I didn't think he was around yet.

A: Benjamin Bratt didn't really become a star until he premiered in "Law & Order" in 1995, but he was already showing a good deal of promise, particularly in "Blood In, Blood Out" two years earlier.

That film addressed the issue of street gangs in Los Angeles and was, as you point out, part of a brief cinematic trend that included other excellent films such as "Boyz n the Hood" (1991) and "Menace II Society" (1993). Bratt starred as one of three family members all embroiled, in one way or another, in East L.A. gang life.

It was certainly a breakout role for him, but he was already on producers' radars. In fact, he'd already starred in two TV shows — "Nasty Boys" and "Knightwatch" — but neither made it past its first season.

Black Panther

Isolated and hidden from the world for centuries, the nation of Wakanda has grown rich and technologically advanced, thanks to its deposits of vibranium, an incredibly rare metal. After his father's death, T'Challa (Boseman) returns to Wakanda to take the throne and keep the kingdom united as Black Panther, a hero given supernatural strength by a mysterious heart-shaped herb and a suit made of vibranium. However, when an exiled Wakandan named Killmonger (Jordan) arrives on the scene with a message of revolu-

Chadwick Boseman in "Black Panther"

tion, Wakanda's future — and that of the entire world — hangs in the balance.
Director: Ryan Coogler. Stars: Chadwick Boseman, Michael B. Jordan, Lupita Nyong'o, Danai Gurira, Letitia Wright, Daniel Kaluuya, Martin Freeman. 2018. 134 min. Action.

Samson

A classic story from the Bible comes to life. After Samson (James) is given great strength by God, he performs many incredible acts, even slaying a lion with just his bare hands. His wife, Delilah (Leahy), discovers the secret of his superhuman strength, however, and betrays him to his enemies. Now powerless and in the clutches of those who hate him, Samson faces the ultimate test of his faith.
Directors: Bruce Macdonald, Gabriel Sabloff. Stars: Taylor James, Caitlin Leahy, Jackson Rathbone, Billy Zane, Rutger Hauer, Lindsay Wagner, Greg Kriek. 2018. 110 min. Action.

Tuesday Best Bets

The Flash

WLFL 8:00 p.m.

As DeVoe works to complete the Enlightenment Machine, Barry (Grant Gustin) comes to the conclusion that the only way he'll stop the villain is by allowing Cisco (Carlos Valdes) and Caitlin (Danielle Panabaker) to help in this new episode.

Roseanne

WTVB 8:00 p.m.

Darlene (Sara Gilbert) moves back in with her parents after she loses her job in this reboot of the iconic sitcom. Roseanne Barr and John Goodman return as Roseanne and Dan, along with Michael Fishman as D.J. and Alicia Goranson as Becky.

Lisa Joyner and Chris Jacobs co-host "Long Lost Family"

Long Lost Family

TLC 8:00 p.m.

After discovering she was adopted, a woman enlists Chris's help to unlock the mystery behind her birth story in this new episode. At the same time, Lisa tries to help a mother find her firstborn son so she can reunite him with his siblings.

The Zimmern List

TRAVEL 9:00 p.m.

Las Vegas was once a culinary wasteland, but it now boasts high-end restaurants and an innovative food movement. In this new episode, Andrew Zimmern samples Korean barbecue and hot pot, as well as a classic Hawaiian dish.

**FARM
BUREAU
INSURANCE**

Auto • Home • Life • Health • Bank

*North Carolina Farm Bureau Mutual Insurance Co. "Farm Bureau" Insurance of North Carolina, Inc. *Southern Farm Bureau Life Insurance Co. Jackson, MS *No independent licensees of the Blue Cross and Blue Shield Association.

Thursday Best Bets

Gotham

WRAZ 8:00 p.m.

Gordon (Ben McKenzie) must make a potentially devastating decision after Jeremiah (Cameron Monaghan) warns him that more destruction is on the horizon in this season finale. Meanwhile, alliances in the underworld shift.

American Ninja Warrior

WECT WITN WRAL 9:00 p.m.

Co-hosts Matt Iseman and Akbar Gbajabiamila bring viewers all of the action as competitors try to complete one of the world's most intense obstacle courses in this new episode. The athletes with the best times move on in the competition.

THURSDAY EVENING

A - AT&T; C - CenturyLink

ANNOUNCING THE NEWEST MEMBER OF OUR MEDICAL FAMILY

Robert Kastner
MD, Cardiologist

Sampson Regional Medical Center has expanded the availability of cardiology services to include a full-time consulting specialist for inpatient care!

Through collaboration with UNC Rex Healthcare, Dr. Robert Kastner joins Dr. Bill Newman providing inpatient cardiology services at Sampson Regional and outpatient cardiology care at North Carolina Heart & Vascular's Clinton office.

Dr. Robert Kastner is Board Certified in Cardiovascular Diseases and Internal Medicine and practices as a general cardiologist with specialization in consultative cardiology, cardiovascular imaging, and preventive cardiology. He works closely with admitting physicians, hospitalists, ER physicians, and other specialists to focus on patients in the hospital with cardiac issues.

Dr. Kastner approaches his patients as he would want his family treated. Making patients feel at ease and well informed is his goal.

Dr. Kastner is a decorated military veteran who enjoyed his military career in Bethesda, Maryland at the Walter Reed National Military Medical Center. In addition, he spent two years as the Medical Department Head and Medical Officer on a U.S. Navy Amphibious ship out of Norfolk, Virginia. Dr. Kastner has practiced for the past 11 years, as a Clinical Cardiologist and is looking forward to his time at Sampson Regional Medical Center.
